

Sun Fusion Nonprofit Organization

1. Why?

Universe is run by Fusion Generators, named Stars.

Once we create artificial fusion power generators, we will become directors of stars.

We will become directors of the first universally principal light.

Sun Fusion Organization

Develop Energy for Fusion Generations,

Generations of humans,

Generations of machines and Artificial Intelligences,

Generations of Fusion Reactors.

Generations of Light.

1.1 Why?

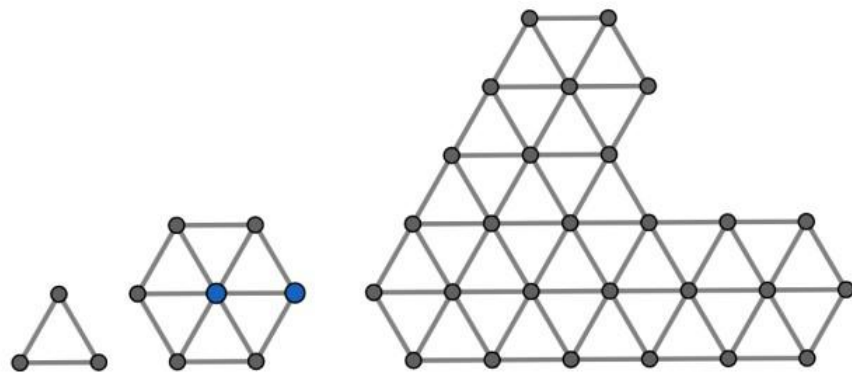

Power of Quantity of Equal Opportunity and new, currently non-existing source.

Ability to perceive and fund the projects as the simplest public representative contributes to equality.

The value of being able to invest simply in seconds, reduces requirements for administrative high capital powers of established and centralized entities, groups and billionaires.

Sun Fusion Nonprofit organ allows for a more inclusive approach, where almost anyone can assess and support projects, making them a de facto public representative. This shift towards inclusivity underlines the concept of equality.

The Power of Equal Opportunity will be quantified by high amounts of new investors and will cause development of fusion energy generations sooner to this very moment in time.
